*Rapra Abstracts* provides comprehensive coverage of the world's polymer literature selected from a wide range of international publications, including over 400 periodicals, conference proceedings, books, trade and technical literature, standards, patents, and government publications.

Each month approximately 2000 new abstracts are added to the database which is maintained as a computer-held file dating back to 1972. In addition to the *Rapra Abstracts* journal a variety of other services are available including:

*Rapra Extracts*: a fortnightly print-out of abstracts based on your personal requirements.

*On-line Searches*: either using your own terminal through Pergamon InfoLine, or for those unable to implement their own searches the Rapra Search Service will undertake searches on your behalf.

*Magnetic Tape Leasing*: available for in-house production of information services.

Further information on these services is available from Rapra or Pergamon Journals Ltd.

*Rapra Abstracts* is compiled and edited by Rapra Technology Limited and distributed by Pergamon Journals Ltd.

*Rapra Abstracts* is published monthly with an annual index.

Annual subscription rates (1986) US\$735, two-year rate (1986/87) US\$1396.50. Rates are inclusive of postage and insurance.

Please send orders to your nearest Pergamon Journals office.

Prices are subject to change without notice.
